

Revisiting the Nativity Story

Advent Groups: December 6th, 13th and 20th December
7.00 for 7.30pm at The Old Barn, Peper Harow.

We've been told the Bible story of Jesus' birth ever since we were children, and nowadays it's told in all sorts of different ways, focussing on the different characters and even the animals.

Over three evenings during Advent there will be the opportunity to reflect on our experiences of the story as children and also to revisit it as adults, to see what fresh insights come to light. Jenny and Martin Lee are very kindly offering their cosy home as our venue and all are welcome.
